**YEAR BOOK  
SEASON 2023-2024**

**WESTERN AUSTRALIAN  
PREMIER CRICKET**

## **Residential Property Management**

*At Xceed, we help property investors by providing a property management experience that is stress free or we'll manage for free.*

## **Life is Better with Xceed!**

*When choosing a company to manage your property, you want comfort in the knowledge that you have appointed the best people for the job.*

*Our dedicated team of property management professionals are some of the most experienced professionals in their field.*

*We have the experience, systems & procedures to help you achieve the best possible result for your property.*

## **Residential Property Sales**

*Your property is worth more with Xceed. Why? Our experience & level of training is unrivalled. We will tell you what you need to hear, even if it's what you don't want to hear. Our relationship with you is built on honesty, authenticity & sincere advice. We look forward to finding out more about your situation & what we can do to help.*

## **Commercial & Industrial**

*At Xceed Commercial we take great pride in assisting you with all aspects of Commercial & Industrial Real Estate, including:*

- *Property Management*
- *Leasing*
- *Selling & Buying*
- *Appraisals - Leasing & Sales*
- *Superannuation Appraisals*

B J Reid

Thank you to everyone for the support over the past two years as the club transitions to hopefully a stronger and successful club.

The 2023–24 season seen the return of Darius D'Silva and Clint Hinchliffe to our very young and inexperienced playing group. This gave us more hope to our senior playing group especially with the additional of former Irish international David Delany accepting to play a season with the club. Unfortunately, injuries to all three at differing times throughout the season hurt our progress slightly. But on the other side there was some excellent performance from the younger players now in the second full season of First Grade cricket. There was also more depth and consistency in the other three grades but we still have a long way to go as we continue to strive to play finals in all grades.

A huge thank you to club coaches David Virgo, Stewart Walters, Bradley Forbes and Marsh Jackson for the hard work to try and fast track our young club in the right direction. Craig Fewster continued in the role to head up Senior Cricket; we set a pre-season plan in place to manage the very young and inexperienced playing group on a pathway for a rebuild, which had a few twists and turns but Craig showed he is committed and up for the task. We will be looking at what we need to improve on again and who can best assist us in obtaining those goals. On reflection there were very positive signs but we did lack leadership in a very young group throughout the season. The support that the coaching team Senior and Junior gave to the players throughout the season was exceptional and everyone of them needs to be thanked not only by myself and the committee but every member of the club.

To all the players, we know that it has been tough but your commitment and effort to improve your skills and growth is all we can ask. Finally, to all the members, parents and supporters, thank you for your support, encouragement and understanding as we collectively get through these tough times but if history shows us anything, things will turn and it can happen quickly with hard work and application.

Moving onto positives the off-field side of the club continued to develop and grow, as it is run in a very professional manner. We have some new faces joining our growing volunteer base and this can only strengthen this great club. In the individual portfolio reports each sub-committee chair will thank volunteers and individuals for their efforts throughout the year, I will say a collective "Thank You" personally for everyone named in those reports and anyone that may have been missed, I apologise.

We have continued to receive outstanding support from the staff at the City of Stirling. Especially our two Inglewood Ward Councillors (David Lagan and Damien Giudici) and Mayor Mark Irwin provide guidance and assistance to ensure that our needs and requests are responded to in a timely manner. We also get great support from our two local members in State Parliament Simon Millman MLA and Hon. David Michael MLA with anything we need.

We continue to try and improve our club facilities which again ran smoothly this season, thanks to Michelle Reid the Facilities Chairperson. Unfortunately, Michelle has already indicated that she will not continue in the role next season, and will be very difficult to replace. The search has already begun and we will hopefully be able to announce the new manager at the club AGM in August.

The quality of the turf wickets improved during the season with the recruitment of Sarah Addison via Turfcare. The club has already commenced negotiation to keep Sarah at Breckler Park for the foreseeable future. Congratulations must go to Sarah for winning the WACA Premier Cricket award for the most improved wicket in the competition.

The clubs' finances have continued in the positive nature, although our expenditure was up slightly on previous years. Paul Rolfe our Finance & Sponsorship Chairperson continued to maintain and grow our finance and sponsorship base. This season Andrew Blythe join the sponsorship committee and had a very positive influence, his handy work could be seen with a couple of new sponsorship

banners and a tent. Our main sponsors have had very long-term relationships with the club and we encourage the members to utilise their services or products. We also welcomed a few new sponsors to the club this season and they have all been covered in the Sponsorship & Finance Report as well as advertisements throughout this yearbook. We will be looking at increasing our sponsorship committee and the sponsorship packages we can offer, to further build our sponsor base and commitment.

The club's Membership and Volunteers were again looked after by Kerri Enman. Kerri effort and workload towards the club as well as trying to watch her boys play cricket at different venues is unbelievable and could not be matched. The club is reviewing the playing and membership apparel again as the service promised wasn't delivered to the level expected. We are also looking at the membership packages to encourage more involvement and if you haven't been contacted by Kerri about volunteering, you had better get on the front foot and contact her, as she will be in contact shortly.

The Junior Cricket was again handled by Bradley Forbes who has done an excellent job in getting some great coaches in place and making sure they meet the club and competition requirements. The junior coaching this season has been excellent and continues to improve as we educate our coaches more and implement the club's development pathway structure. The club will continue to strive to have level 2 coaches for each grade involved in the junior programs and finally implement the online system that will give players & parents feedback on the players development.

Helen Dwyer joined as chairperson of the Communication & Media (Club Secretary). This season, with the assistance of Monday Media & Jeremy Heng our online present grew, with a new website and a higher quality of social media posts. The club managed to get through the transition from the MyCricket

platform to Play-HQ with minimal problems thanks largely to Kerri Enman's support and hardwork. PlayHQ should continue to improve our membership management as we move forward.

Our on-going relationships with our 2 main stakeholders – the City of Stirling and the Western Australian Cricket Association (WA Cricket) remain very strong. The City ensures that our turf facilities and off-field infrastructures are maintained to a high standard. WA Cricket runs the Premier Cricket Competitions in a very competent manner and provides various grants to greatly assist our financial viability.

The 2023–24 season had some very positive moments but we only improve slightly in our performances on-field. We need to continue to work as a family to grow the club for the betterment and enjoyment of all. This can only happen by everyone putting their hand up to assist when they can. If we do and work hard hopefully, we can meet everyone's expectations and strengthen our off field presence and become a powerhouse on the field again in the next couple seasons.

The club has completed its ninety-ninth year, and club will be celebrating a milestone that other clubs will envy. There are several function planned for the 2024–25 season to help us celebrate this remarkable achievement, these functions will be announced as we get closer to next season. Save the date of 23 November for the clubs 100th Anniversary Dinner to be held at Crown Casino. The club will need your support both personally and financially to celebrate this achievement in the style it should be and we will be in contact shortly,

All the best for the winter, stay safe and see you all back bigger and better for our 100th season in 2024–25.

**BRENDAN REID**  
CLUB CHAIRPERSON

My second year as the Chairperson of Senior cricket was certainly a step forward for the Club in results and competitiveness across the board. After 8 wins as a Club in 2022–23 (with 1 win in 1st and Second Grade), we improved this to 18 wins across the 4 grades for the 2023–24 season. While this was not good enough to make finals in any of the grades, we were able to make finals in the Colts which was great reward for the players that represented us.

I was able to get to almost all Game Days at Breckler where I was able to watch the 2 teams representing us. What I saw was a great improvement from us as a Club, and on most occasions, we were in each game up to our eyeballs. Unfortunately, and this may well be part of the next stage of our development, we were often unable to close out games when they were there to be won. There is certainly enough talent to get the job done, but we need to start individually accepting that we all have a role to play each week, and we can't leave it to the next person to take care of the job. We are going to fail at times. We have all failed playing the game we love. However, we will win more times than we fail when we start looking at our own performances and doing all we can to prepare and take responsibility.

From my role I looked upon the following as being my principal focus:

- 1 Observe all 4 grades and all players on game day and at training. Provide feedback to the Senior Coaching Group on what I observed.
- 2 Manage the Senior Cricket Committee and ensure that we continue to drive performance and develop as a Club.
- 3 Look at what we need ongoing as a Senior Group for the future. This continues to include recruitment but also player development.

We created a Players Representative/Advocate role to provide all players with access to the Cricket Committee with any concerns and

suggestions. While this didn't get used as often as I might have hoped, I still believe that it has a role to play moving forwards. We want the club to be open to suggestions and constructive criticism if due and will lead to improvement, and we will continue to make this available next season. We thank Mathew Rossi and Nathan Ellett for jointly taking on this role. I hope that we can continue to grow this moving forward and we are open to suggestions here on anything that makes this more accessible.

Looking at the Grades, as mentioned, we left wins on the park. There were many games that we found ourselves in the box seat, only for a missed catch, a run out, or poor shot selection, to lose our momentum. Not every chance is going to be taken, but we need to start taking ownership on what we can do to reduce errors. Extra fielding. Patience. Bowling one side of the wicket.

I watched the best teams in the competition in the finals. And they do the simple things well. They are not more talented than us. They just work as a unit. They field as a unit. They bowl in areas where you can set a field and put pressure on the opposition batting to make mistakes. They are vocal. They take chances that are presented. But understand this. Across the grades, they are all very beatable.

The First Grade will look back on the season I would hope with disappointment, albeit that the improvement was significant. 4 wins/ 11 losses in the one and two-day fixtures, and one win in the T20. But I think we all know deep down that we left 3-4 wins on the park. Two bad losses for me in the season against Joondalup and Midland–Guildford. The remaining games we either won, were in positions to win, or had poor hours of cricket which we couldn't come back from. I don't think that I would be over-exaggerating to say that we should have been at worst 6/9.

However, there is simply a lot to do to move from a team that is in every game, to the one that is controlling the game. We had injuries to bowlers that hurt our attack. But good clubs do not make

excuses so I will leave that for others to debate. From a bowling perspective we were well led by Chris Prescott who continues to knock over top order batsmen and bowl areas throughout the day that pressure opposition batting. Clint Hinchliffe had a strong second half of the year when he got his body right. Dave Delany was a fantastic recruit on and off the field who, when fit, gave us strike power and accuracy. Ollie Arkinstall took regular wickets by hitting the right areas. Sean O'Callaghan and Michael French took wickets at times. Overall, our bowling was consistent, albeit sporadic, and probably summarises the season. From a batting perspective, Darius D'Silva was outstanding and provided the only century by our First Grade batsmen for the season. Clint Hinchliffe was consistent. Our young batsmen I thought were great value. Tyrone Virgo, Colin Dwyer and Elijah Ward-Armstrong in the second half of the season, all made decent contributions. Each of which I hope will be built on for next season. There is the basis here of a very good team. I just think that there were many games that we relied on too few, and not many where all the performances crossed over – where it all clicked at once. Expectations will rise off the back of this season and there is no reason to believe that we aren't up to it.

I would think that the Second Grade will look back on the season with similar regrets. Being very strongly placed in a lot of games only to have a bad hour take the game away from them. Bowling wise they were well led by Coby Perry. He worked hard all year and is progressing well towards higher honours. Matt Rossi bowled in the channel and was rewarded for consistency off the back of doing enough with the ball to take wickets. Simon Douglas continued to bowl in good areas and still took new ball wickets. Similarly, Sean Hayes bowled good areas when he came into the side off the back of excellent Third Grade bowling and in the end was rewarded with First Grade cricket. Cam Fawcett bowled some very good spells that produced wickets. Liam Ward-Armstrong has the tools to play higher. He just needs consistency. He

has great hands in the slips to back it up. Ben Dale returned from injury and showed that he has the all-round capabilities to be successful. Jye McDonald had an injury interrupted season but has already shown his value at this level and higher. Ishant Chopra and Matthew French both bowled well at times with their off spin and certainly offer us all round capabilities. Batting wise we were wonderfully led by our openers Braydon Fernandes and Tyler Scroop. Braydon scored two centuries and a club high 147 not out. Tyler scored one hundred and always looked comfortable. Both were rewarded with First Grade games. While neither took their opportunities at that level this season, we have no doubt that they can play the level and we look forward to great things from them both. Chris Cilemanoff was an excellent finisher in games and shows promise to grow into higher honours. But there is work for us to do as a batting unit to start making scores that win us more games than we lose.

The Third Grade were again great value for money all year. They were competitive and deep into the season had finals aspirations. But a quick look at the statistics tells you we lacked consistency with the bat, and it was covered over by our bowling. William Baxter had a strong season with the bat as did Cooper Hebbard. They both spent a long time in the middle and were rewarded with decent seasons. As in most lower grade sides, there were a lot of numbers coming in and out. Dylan Smith is a player who came back and performed with the bat. But across the board we need to start batting as a unit to play finals. Bowling wise there was significant firepower with Ollie Enman, Cameron Fawcett, Ashton Stampalia, Joshua Zelesco, Sean Hayes and Vasilis Yiannakis all performing strongly and making us a formidable attack when playing. There is a strong group here that should all be pushing to play higher (and in some cases have already been rewarded).

The Fourth Grade again will look back on the season with a lot of positives but again with some regrets on games that they played good cricket but couldn't make the most of opportunities when presented.

Batting wise Elliott Cooper was a strong contributor and provided a season highlight with a wonderful unbeaten century in stifling conditions in partnership with James Ward-Armstrong. James was a strong contributor with the bat and valued his wicket. Benjamin Whelpdale was another who worked hard and had an excellent season. Oliver Mirco contributed well and scored freely when in the 4s. With the ball, Nathan Ellett led the attack with 28 wickets equaling the club wicket aggregate. James Noble took 24 wickets at a miserly economy rate and is a great example of bowling tight lines and lengths and being rewarded. Thomas Thacker took 11 wickets to support the top two in the eight games he played. There was further support down the line by others who played, including James Ward-Armstrong and Tyron Dias returning from a knee reconstruction, bowling their leg spinners.

Our Colts side made the quarter finals of the competition off the back of 2 wins and 1 loss in the qualifying rounds. A consistent performance by all with Colin Dwyer a standout in all matches he played. Unfortunately, we had two batting collapses at the front and back end of our quarter final that robbed us of the opportunity to progress further. We will look back at this as an opportunity missed but there was a lot to like about the style of T20 we played.

The Senior Cricket Committee would like to thank all the supporters, members, volunteers, and past players who continue to support all Mount Lawley teams. I like to think that we are now 2 years into a 5-year cycle. While I do not want to put any ceiling on us getting better quicker, I think that we can all appreciate that it will take time for us to produce 4 grades that are challenging for finals year to year. Next year is a pivotal year in us making a step forward in all grades.

To my Senior Cricket Committee, made up of David Virgo, Stewart Walters, Neil Allen and Paul Davis, I thank you for your contribution and commitment to our meetings and your desire to continue to improve the Cricket Club through

your ideas and work. The Cricket Committee works seamlessly to continue to address the needs of the club and to ensure that we are driving the club forward on and off the field.

To the selectors, Paul Davis and Luke Worthington, in conjunction with David Virgo and Stewart Walters, I thank you for all of your efforts throughout the season in a very difficult role.

To the Management Committee, I thank you for all your tireless work and contribution to the club. The effort that all these people put into the club behind the scenes can never be measured. Brendan Reid leads the Club magnificently and puts in ridiculous amounts of time on behalf of the Club. Kerry Enman is the heart of the Club and works with our players foremost in her mind. Paul Rolfe has been a long-serving member of the Committee and asks for nothing in return, whether that be managing the club finances or working behind the bar. Brad Forbes runs both Junior Cricket as well as being the Second Grade Coach with great skill and dedication. Helen Dwyer is a fantastic addition as the Secretary and provides great assistance outside of her designated role in a variety of Club essentials. And finally, to Michelle Reid, who is stepping back from her role running the House, I thank her for her banter, her organization, what she does for all behind the bar and at afternoon teas, and for my lunch on a Saturday. She epitomizes what makes the Club great and successful. I will miss seeing her on every game day.

To the Senior Coaches, David Virgo, Stewart Walters, Bradley Forbes and Marsh Jackson. I think it is not an understatement that the Mount Lawley Cricket Club receives outstanding Coaching at a Senior Level. The training standards that I witnessed in the New Year were the best in my time back at the Club and a significant step forward to ensure that we become a premier club of the competition across all grades.

To the Junior Coaches, led by Bradley Forbes, we have a model and the level of coaching that will develop and nurture the junior talent at the Club's disposal. The continuing presence of Senior Cricketers in this process is something that I am keen on and I hope will be one that drives this forward and will ensure that the Club will continue to grow together in one direction. I would also like to thank all team managers, scorers, Frogbox enablers and supporters. Without your commitment the Club does not continue to move forwards.

*Next year is a very important year for the Mount Lawley Cricket Club – 100 years. Respect that, value what it means, and most importantly, take the time to understand its importance.*

To Lance Catchpole, thank you for your continuous outstanding scoring in the First Grade, which is the envy of all clubs. I wish you health and happiness in your time off. To all other Senior Grade scorers, thank you for your time and efforts. It's a job that is thankless but is invaluable.

Thanks to John Lowes for your work in getting the grounds ready for play on game day. John doesn't seek recognition but is another fantastic volunteer for the club.

Thanks to Sarah Addison from Turfcare on the preparations of the Centre Wickets and training pitches. There was a noticeable improvement across the board here under Sarah and one that I trust continues to make Breckler a premier wicket in the competition.

To all the volunteers who help with food preparation, thank you for always ensuring that the players, members and supporters are provided with excellent food, drink and service as they visit Breckler Park. We are blessed to have an outstanding food and beverage service that is the envy of most clubs.

Finally, to the players, enjoy your time away from the Club. Next year is a very important year for the Mount Lawley Cricket Club – 100 years. Respect that, value what it means, and most importantly, take the time to understand its importance. We want the 2024–25 season to be one that is celebrated, that brings success, and we trust that you come into this season with an attitude about your cricket that acknowledges this and drives performance on and off the field.

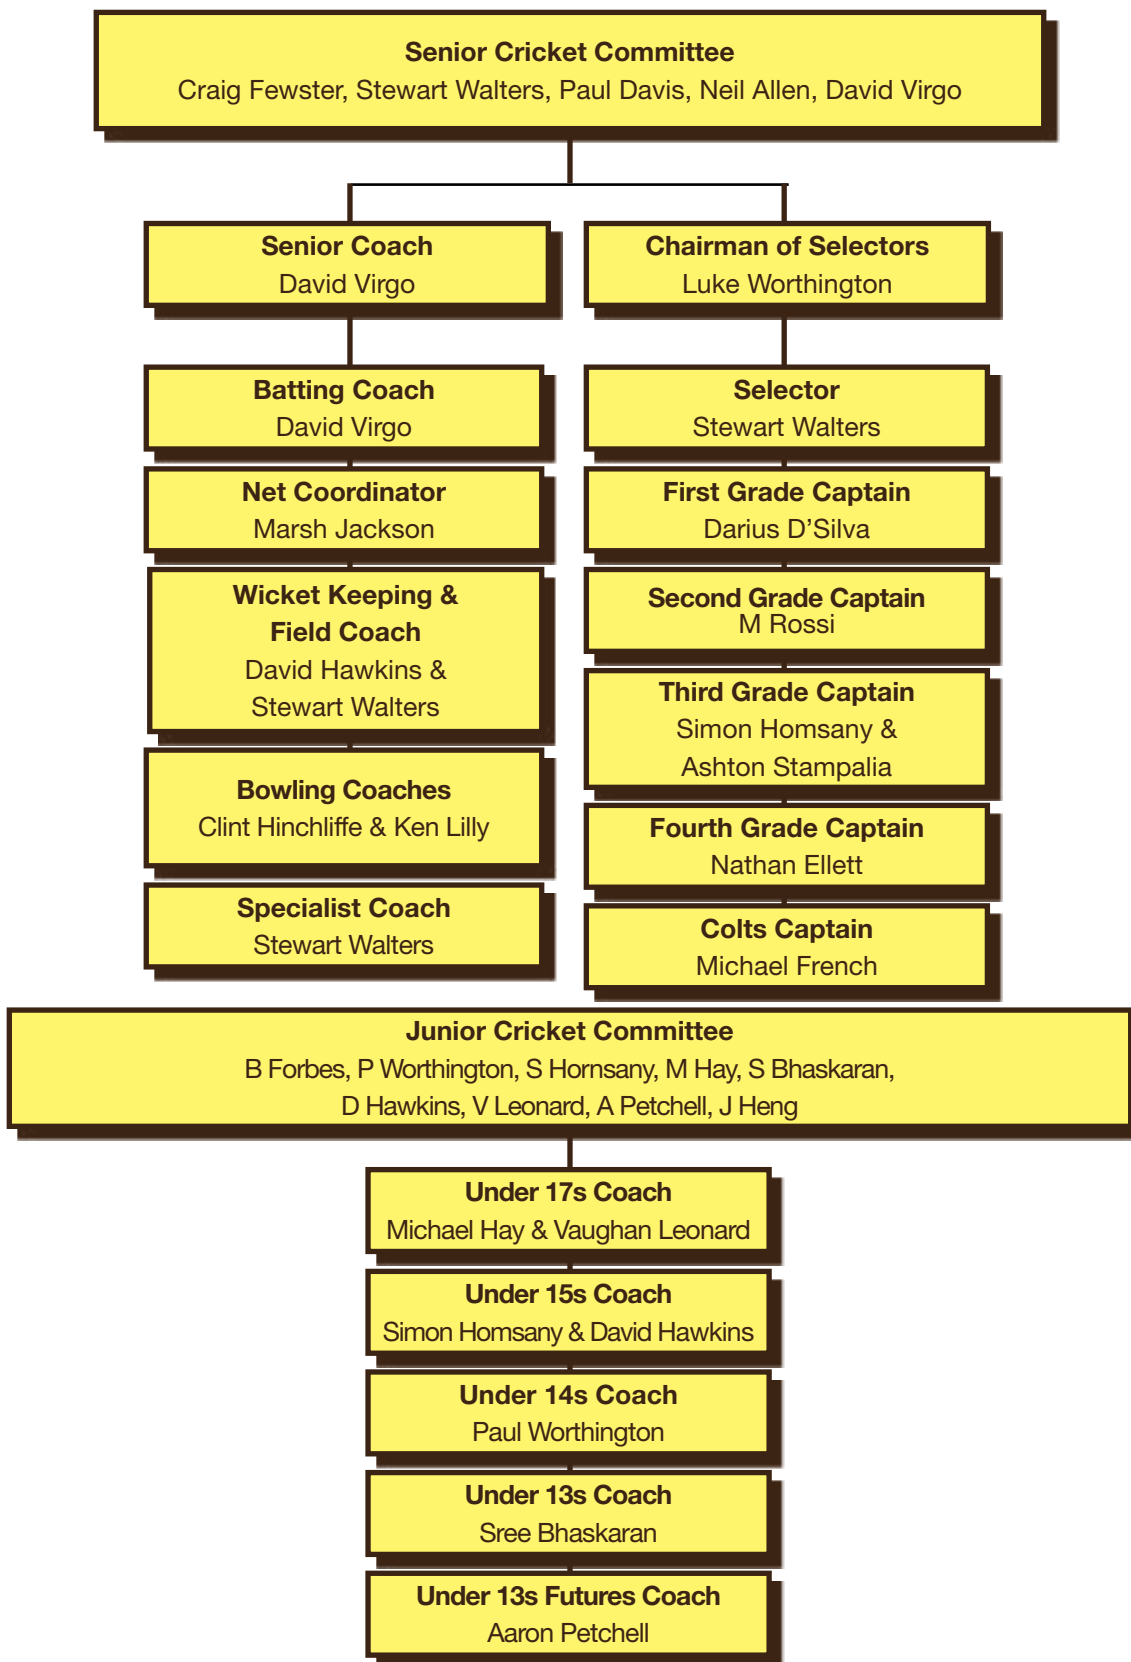

**CRAIG FEWSTER**  
CRICKET COMMITTEE CHAIRPERSON

***All players, members and friends extend our heartfelt thanks to Councillors Bianca Sandri, David Lagan and all Councillors and staff of the City of Stirling for their ongoing support for the Hawks and Breckler Park.***

# COACHING STRUCTURE FOR SEASON 2023-2024

Under 13s Ladder	4th - 4 Wins	6th - 2 Wins, 1 Draw	5th - 2 Wins

When pre-season started we were aware of Clint Hinchliffe, Darius D'Silva re-joining the club and new players David Delany and Ollie Arkinstall coming into the club which we were all excited about.

Pre-season started the first week in August at Revolution Sports indoors and went for 9 weeks right up to the start of the season in October.

On the coaching side of things, Marsh Jackson joined us and Stewart Walters took up a position as First Grade coach. Brad Forbes continued on as the Second Grade match day coach and I resumed in the position of First Grade coach.

In season, the results achieved overall was a massive improvement from last season in terms of wins but also in terms of competitiveness. It was a good improvement from the lows of the 2022-23 season but we also realised there is still a lot of work to be done to get back to being a major force in premier cricket. Rest assured we will not be resting on our laurels in pursuit of this.

Our First Grade won 4 games overall and were in great positions to win another 3 however a mix of poor fielding execution and injury cost us in those games. In season we were seriously hampered by losing Darius D'Silva through injury for a period of time as well as David Delany with a foot injury. This impeded our bowling attack strength which showed in the middle part of the season and after Christmas. There are no excuses being made here as we are all aware that we under performed as a whole and are keen to improve on the results obtained.

The Second Grade started with a bang and were competitive in most games they played in this season however inconsistency and like the First Grade, poor execution of basic skills cost them dearly in all the games they lost. Brayden Fernandes was a standout with the bat and showed us he's a First Grade player of the

future. We also saw the introduction of Coby Perry and Sean Hayes into the ranks of Second Grade and showed their potential along with Jye McDonald as pace bowlers of the future. Both Jye and Sean played First Grade games also this season. Tyler Scroop also played some memorable innings in Second Grade as did Chris Cilemanoff.

The Third Grade were very close to making finals this season and were the most consistent team in the club, albeit there is still lots of room to improve here. Simon Homsany, the captain accepted a role in the corporate world and AFL in Sydney mid-way through the season. This allowed Ashton Stampalia to take on the captaincy role in which he undertook with gusto and showed he wasn't out of his depth in this role. The growth and performances that took the team into finals contention was shared around by the likes of Cooper Hebbard and Will Baxter with the bat, Ashton Stampalia with his really consistent bowling and some character building innings under real pressure by Ollie Enman and Ean Broun to show us they can be handy all-rounders in the future.

The Fourth Grade were steady and also competitive in most games but fielding really let them down badly at times and didn't allow them to capitalise on some good tight bowling efforts and batting innings. The team was lead by Nathan Ellett and the spirit in that team was nothing short of exceptional. Their energy was high and on show at all times and definitely didn't lack in that area. There was enough signs in the group to build on in future years.

A few players took big leaps forward this season. Colin Dwyer really burst onto the First Grade scene with a bang and showed us and a few teams how destructive he can be with the bat. It is exciting to see what the future looks like for Colin as he is also a very useful pace bowler who didn't bowl last season due to getting his body ready for the rigours bowling presents. Tyrone Virgo also took some important steps forwards in the First Grade to make over 400 runs for the season and played

some pivotal innings throughout the season. Elijah Ward-Armstrong continued to improve with the bat and the gloves so all goes well for this trio in the future. Brayden Fernandes dominated Second Grade at the top of the order and is ready to tackle the next level. He played 3 or 4 First Grade games this season and didn't look out of place. Ben Dale, Chris Cilemanoff, Tyler Scroop, Sean Hayes and Jye McDonald all played First Grade games this season which will stand them in good stead for the future.

Darius D'Silva showed us why he is one of the best cricketers in the competition by missing a handful of games and still making 600 runs averaging 60. Unfortunately we missed his bowling this season but will be looking forward to seeing him bowl in the future. Clint Hinchliffe also had a good season to win the Champion Cricketer award for the club but was hampered also by injury for the first half of the season. He played through injury but was definitely not 100% fitness wise and was definitely hampered in his output. Hopefully he's in better fitness condition next season also to assist us to improve.

David Delany joined us for a season and will not be joining us next season as he's gone back to Ireland. We are grateful for him joining us and it's a shame we didn't get to see the best of him due to his injury. He still contributed massively to the group and was topped off when helped take us to a gutsy win in the last game of the season with a match winning batting partnership with Sean O'Callaghan to get the boys home against Melville.

*Thanks for all the support our members and supporters have given this season and I look forward to seeing you again next season to see what season 2024–2025 holds for Mount Lawley.*

A massive thank you goes out to the following; Luke Worthington as chairman of selectors, Brad Forbes and Marsh Jackson as assistant coaches and Stewart Walters as the First Grade coach. Lance Catchpole as scorer, Colin Tyler as chief supporter for the First Grade and John Lowes for setting up the grounds before play and packing up afterwards. Malcolm Wolfe for mowing the ground every morning before play so it looks absolutely magnificent and Sarah Adderson for doing a magnificent job preparing the wickets and training facilities.

Thank you also to Michelle Reid for her contribution to the house duties and Paul Tomerini for his help with players tea meals provided on selection nights. Kerri Enman for her tireless work at the club to ensure both seniors and juniors are organised and not lacking for anything. Brendan Reid and the committee for their support and backing I have been afforded. Apologies if I have missed anyone.

Thanks for all the support our members and supporters have given this season and I look forward to seeing you again next season to see what season 2024–25 holds for Mount Lawley.

**DAVID VIRGO**  
*SENIOR COACH*

## 2023–2024 Annual Awards

C D Matthews Club Champion Cricketer Award	Clint Hinchliffe
J P McGuire Batting Aggregate Award	Darius D'Silva
I H C Bromfield Award (Most Outstanding Performance)	Brayden Fernandes
Peter Grayson (Slater Gartrell) Award (Best First Grade Performance)	David Delany
W L Bryant Award (Most Outstanding Under 19 Player)	Tyrone Virgo
Bryant Perpetual Award (Most Promising Under 17 Player)	Krish Chaudery
Idris Evans Award (Most Promising Under 15 Player)	Kyan Perera
Graham Linn Award (Most Promising Under 14 Player)	Tom Carlos
Graeme Rolfe Award (Most Promising Under 13 Player)	Akain Wijayathunga
Doug Stewart Award (Best Overall Lower Grade Performance)	Mathew Rossi
T A Bidstup Bowling Aggregate Award	Chris Prescott
Frank O'Driscoll Award (First Grade Outstanding Achievement)	Elijah Ward-Armstrong
R G Heath Award (Best Club Person)	David Hawkins
P L Murphy Award (Player Contributor)	Colin Dwyer
Tom Leishman Memorial Trophy	Ishant Chopra

## 2023–2024 Club Awards

	Batting	Bowling	Fielding
<b>First Grade</b>	Darius D'Silva	Chris Prescott	Tyrone Virgo
<b>Second Grade</b>	Braydon Fernandes	Mathew Rossi	Liam Ward-Armstrong
<b>Third Grade</b>	Dylan Smith	Ollie Enman	Koby Jackson
<b>Fourth Grade</b>	James Ward-Armstrong	James Noble	Callum Westwood

In addition to the above Awards for performance over the season, the club presented Man of the Match Awards for each grade. These Awards are an important recognition of individual achievement and are also an excellent incentive for player performance. The club is indebted to the Shoe Bar and Slater Gartrell for our Man of the Match Awards.

## 2023–2024 Junior Awards

	Batting	Bowling	Fielding	Coach's Award
<b>Under 17s</b>	Wilson Pretl	Aum Patni	Damon Hay	Jack Rolfe
<b>Under 15s</b>	Kyan Perera	Kyan Perera	Kyan Perera	Jett Guest
<b>Under 14s</b>	Thomas Carlos	Will Petchell	Aastik Vats	Edwards Jones
<b>Under 13s</b>	Akain Wijayathunga	Aaryan Kanvinde	Akain Wijayathunga	Giuseppe Di Martino

I would like to commence the report by thanking the previous Junior Committee Chairperson for his help and organisation over the last three seasons.

The 2023–24 season started in March 2023 with the Junior trials for the upcoming season. In addition to the players already in our Junior Program there were over 120 new players trialling who wished to join our program. This vast operation was started by Kerri Enman and Jeremy Heng who undertook the registration and correspondence for the trials as well as our coaches and approximately 20 senior players who helped with assessment of the triallists resulting in strong squads being selected.

One of the many highlights of the season was the first round of fixtures against Joondalup which resulted in a clean sweep of victories for Mount Lawley teams.

Our Junior teams were competitive in most matches in all grades and were a tribute to our coaching group who performed well throughout the season.

The club wishes to thank Aaron Petchell who ran our futures team, Sree Bhaskaran and David Hawkins who coached our 13s team, Paul Worthington who led our 14s, Simon Homsany and David Hawkins who did an excellent job with our 15s and Mike Hay and Vaughan Leonard who once again mentored and lead our 17s in a very professional manner. Our Coaches did an excellent job and displayed great values for the players and implemented the development phases in our program in a very professional way.

Special mention to Colin Dwyer and Michael French who spent many hours with our 17s and 15s players at training throughout the season. Colin Dwyer's contribution was acknowledged at our Senior trophy night with the player contributor award.

I would like to also thank the many parent helpers who assisted with managing the teams helping with correspondence, afternoon teas,

scoring, help with fielding and warm ups, providing drinks and the many other tasks done to help a smooth process on match day.

We also need to be grateful for the work that Kerri Enman does for our club including the Junior players and parents. From correspondence, re-trials, club events and registration, to kit ordering and sorting our wind up events. Thank you Kerri.

Thanks also to Jeremy Heng for his help with IT and with secretarial work for our committee meetings. A great contribution which is much appreciated. Thanks Jeremy.

David Hawkins had an outstanding year of assisting the club. He assisted with 13s and 15s coaching and took over the second half of the year as Head Coach of the 15s when Simon Homsany left for Sydney. He pioneered our work with Skill Shark player review technology and was a mainstay with our trials process at the beginning and end of the season. David's contribution saw him awarded the Clubman of the year at the Senior trophy night. A great job David and many thanks.

Most of our Coaches will be continuing next season, however Simon Homsany will not be as he has been transferred to Sydney with his employment. I would like to thank Simon for his great dedication to the task and the great quality he brought to our group. Also Sree Bhaskaran after 3 seasons has decided not to continue for work and family reasons. I would like to thank Sree for his excellent quality and enthusiastic coaching in that time.

Lastly I would like to thank all players who represented the club in season 2023–24. I think the club values of fun and respect were there in abundance and I look forward to next season as we strive as a club to improve in everything we do.

### First Grade Report

The 2023-24 season for Mount Lawley District Cricket Club's First Grade team was one of resilience, growth, and promising results. Coming into the season, the team was confident we would improve on our 2022-23 results with the inclusion of Clint Hinchliffe (back from Tasmania) and David Delaney (Irish International). An extra 10-15 First Grade games into the likes of Braydon Fernandes, Michael French, Colin Gault, Tyrone Virgo and Elijah Ward-Armstrong. This meant the core group of players remained the same and had valuable experience to draw from throughout the coming season. These benefits of game time encountered in the prior year were evident in the first game of the season where Colin hammered 66 of 38 deliveries.

These performances from the young members of our group were a regular occurrence with Ty Virgo guiding the Hawks home in a tight run chase against Subiaco-Floreat and showing his class with a well combined half century versus University. Michael and Elijah's character around the group at training as well as games was a reflection on the maturity these members of the group possess and learnt through challenging circumstances encountered the year before. Braydon Fernandes knocking the door down in the 2s with multiple hundreds showed that the club has taken a step in the right direction as it's a privilege to play First Grade cricket and isn't a right.

The addition of David Delaney to the group was a massive boost for our fast-bowling stocks. Being able to throw him the ball against Claremont and him deliver the spell he did to get us across the line is testament to his character. He displayed to the group what it takes to be a professional through preparation and attitude and that's something each and every one of us can strive for. David in combination with Chris Prescott were the perfect combination of pace and skill and complimented each other on numerous occasions.

*A heartfelt thanks to our players for their unwavering commitment, our coaching staff (David Virgo and Stew Walters) for their guidance, and our committee for their enthusiasm and encouragement throughout the season.*

The likes of Kobe Perry, Jye McDonald and Sean Hayes grew leaps and bounds as cricketers and as people through the season and the future is looking bright with those three personalities around.

Narrow losses against Waneroo and Fremantle in the last over as well as a few missed opportunities in pressure tense moments throughout the year means there is still room for work. I believe our results were a true reflection on our current state and if that's the case, there is nothing this group can't achieve. The focus for the upcoming season will be on consolidating our strengths, addressing areas for improvement, and building on our current squad's potential through utilising the experience of senior players such as myself and Clint Hinchliffe.

A heartfelt thanks to our players for their unwavering commitment, our coaching staff (David Virgo and Stew Walters) for their guidance, and our committee for their enthusiasm and encouragement throughout the season.

**DARIUS D'SILVA**  
CAPTAIN

## Second Grade Captain's Report

The 2023-24 season was a more positive season than the previous one with greater contributions from players and better-quality cricket being played throughout the year. The team battled hard all year and showed many promising signs which shows the boys can play at the level or higher and the future of the club is in good hands.

Consistent performances throughout the year from Brayden Fernandes, Chris Cilemanoff, Tyler Scroop, Mathew Rossi, Sean Hayes, Benjamin Dale and Jye McDonald led to the boys being rewarded with First Grade games at some stage throughout the season, which was very well deserved. I wish them all the very best for what will be a bright future.

We had consistent performances throughout the year from our spinners Vassille Yiannakis, and Matthew French as well as our old boys Dylan Smith, Liam Ward-Armstrong and Simon Douglas once again leading from the front. Our young fast bowling stocks are in good hands with Coby Perry and Cameron Fawcett leading the attack throughout the season.

Some excellent individual performances throughout the year with Brayden Fernandes scoring 147, and 130 not out. Tyler Scroop scoring 102 and 77 off 42 balls. Chris Cilemanoff scoring 90. Simon Douglas taking 5 for 27 and Mathew Rossi taking 6 for 67.

*While we didn't achieve the success we desired this season, we put ourselves in good positions to win just about every game, but ultimately fell short with the end result. The progress from future years is evident and the boys will be striving for bigger and better things next season.*

While we didn't achieve the success we desired this season, we put ourselves in good positions to win just about every game but ultimately fell short with the end result. The progress from future years is evident and the boys will be striving for bigger and better things next season.

Finally, I would like to thank Club Coach David Virgo and Second Grade coach Bradley Forbes for all their time and effort they have put in this season in mentoring all the young boys in the side, their work will forever be appreciated. I would also like to thank everyone on the club committee and the volunteers behind the scenes who have helped and supported us throughout the year.

**MATHEW ROSSI**

### Third Grade Captain's Report

The 2023–24 season saw another year of growth and development for the Hawks Third Grade side. The club added some depth and talent throughout the grades allowing players to move down to a grade much more comfortable for some. We saw 29 players contribute to the 3s this year, including 3 U17s and 19 colts aged players.

Going into round 1, many of our young players that were exposed to second grade cricket in the 2022–23 season were filtered into the 3s side. We had a grand total of 2 players above colts age (both being 22) which brought a great amount of energy around the team. This inexperience showed opportunities for growth throughout the season with selection pressure based on performance.

The 3s bowling cartel was filled with young and exciting pace and spin bowlers. Ollie Enman showed signs of a great pace bowler with performances of 3/30 off 9 overs against Joondalup and 4/52 off 13 against Willetton. Sean Hayes was consistently taking wickets but stood out with 4/10 off 5.5 overs against Subiaco, which allowed him to move up the grades and eventually make his First Grade debut later on in the season. Taking 15 wickets in just 7 games of Third Grade, including 5/26 off 9 overs against Rockingham/Mandurah, Cameron Fawcett consistently bowled to a plan showing disciplined bowling gets rewarded.

A special mention to Vasilis Yiannakis who went out with a broken collar bone early into the season. Vas came back into the 3s team in round 13 against South Perth, taking 5/60 off 21 overs in 42 degree conditions helping the team defend 198 against South Perth in one of our best wins of the season.

Opening batsmen William Baxter lead from the front scoring 54 runs in round 1 against Joondalup, continuing his form throughout the season with scores of 61, 49 and 42 to finish top of the 3s runs with 317 at an average of 26.42. Cooper Hebbard showed consistency

*This season has given this group a taste of victory and the improvement that each player has been striving for. I truly believe this group is capable of dominating Third Grade and the rest of the club is on the way up as well. It has been an honour captaining this team and being part of a club with such an amazing culture on and off the field. I cannot wait to see what the 2024–25 season brings!*

at the top of the order with 6 scores above 30 including a 51 against Midland-Guildford. Some other standout performances in the 3s include Matthew French's 68 against Fremantle, Dylan Smith's 48 against Wanneroo, Ollie Enman's match winning 35 against Claremont and Cameron Fawcett's 35 not out off 24 balls against Perth.

Consistency improved throughout the year with a cluster of 2 day wins after the Christmas break as we pushed for a top 6 finish. Learning to perform as a team by bowling to a plan and being clean in the field helped us win by grinding out some hot, strenuous sessions. The talk and energy in the field was maintained for hours on end, giving us a winning mentality which pushed us over the line on multiple occasions.

Our finals push came to an end in round 14 after losing to Willetton by 18 runs. We finished the season in eighth position improving from twelfth in last years season. The signs of improvement were due to the effort of the players on and off the field.

## THIRD GRADE

Being this close to finals gave everyone the motivation to push themselves and the winning mentality that was spoken about throughout the season.

I would like to thank coaches David Virgo and Marsh Jackson for all the time spent and help they gave at training and games. Thanks to Kerri Enman, Brendan Reid and the rest of the committee for all the behind the scenes work they do to keep the club running and Michelle Reid for supplying the tea at all of our home games. A special thanks to Simon Homsany for captaining the 3s until round 10. It is never an easy job captaining a side let alone after coaching all morning as well. Your time and effort towards the club is much appreciated.

Overall, this 3s group has shown signs of talent over the past few seasons. This season has given this group a taste of victory and the improvement that each player has been striving for. I truly believe this group is capable of dominating Third Grade and the rest of the club is on the way up as well. It has been an honour captaining this team and being part of a club with such an amazing culture on and off the field. I cannot wait to see what the 2024–25 season brings!

### Fourth Grade Captain's Report

It was truly an honour to be given the opportunity to take over from the like of James Noble and Ty Dias as the Fourth Grade skip, something that these gentlemen had to toil away (with Viv Ambat) with some painful years of development and growth. Hopes were rather high this year with the 'Avengers' forming in the 4s and we certainly pulled up to ball one as 'The Avengers'. However, as the season would show, we certainly did not consistently show that we are in fact a strong, unified and coherent team.

We, as a club, coming out of recent years of lacking depth due to some 'abnormal events' in the higher grades, we were able to string together a fairly consistent team. We can proudly say for the first time in about six years that we had a full team of seniors for the vast majority of games which some absolutely beneficial junior selections which helped them develop and get a taste of Premier cricket, and also help us get into and win games.

It was immensely pleasing seeing a handful of juniors get a chance to play senior cricket based on merit, being Aum Patni, Darcy Giltrow, Krish Chaudhary, Damon Hay, Ish Chopra and Jack Rolfe which all showed their talent and will become seriously valuable assets moving forward as we welcome them across to the senior playing side of the club. As a captain it was also fantastic to see players earn their chance to go up the grades and show their skills with Cooper Hebbard, James Ward-Armstrong, Ean Broun, Ben Whelpdale, Oli Mirco, Elliott Cooper (can't forget his first century on Aus soil!), Joshua Zelesco, Evan French and Tom Hackers getting their chance to play up with a handful even pushing through to play Second Grade cricket.

Even though the season did not go the way we all had hoped, we certainly pushed the competition in the majority of games, even taking many games deep, and only just falling short against some great teams in the year such as the nail-biters against Willetton, South Perth, Claremont, Fremantle, Midland-Guildford and eventual Premiers,

University. And though yes we only won 4 games, if we had held a few chances or batted with a little more smarts or with some more game awareness we could have easily turned that into a 10 wins, which would have put us in a strong finals position. But, at the end of the day we learnt a lot of lessons about just how good we are as a team when we are on and how poor we can be when we switch off, even if it's for 3 overs in a game which fast became the story of our season.

I would love to thank James Noble, Ty Dias, Viv Ambat and Doug Stewart as their previous years in leadership/seniority positions were years of playing cricket in a hard 'rebuilding' setting and their hard work is starting to show throughout the club across all the grades and especially in the lower grades. David Virgo, Brad Forbes, Marsh Jackson have done a wonderful job throughout the season assisting players and guiding us forward to where we need to be as not only players but people too. This includes Luke Worthington who took up the Chairman of Selectors position and assisted the likes of myself and Ashton Stampalia with tough selection calls in our early days of leadership. The Reids, Enmans and countless of other members across the wider Mount Lawley cricket community making our club, our club.

I hope the players who had the chance to play with me this season enjoyed their time and learnt a thing or two about themselves and their cricket ability, I can absolutely say that I am not perfect and made some mistakes along the way but as we all are in this current period of uber-young players, we are all growing towards success. I certainly hope we are able to build off of the lessons we learnt this year into some much desired flags and push deep into finals year on year for the future (a flag in our 100th year would be perfect!)

Thanks for the season gents!

**NATHAN ELLETT**  
CAPTAIN

## Colts Captain's Report

We were in a very fortunate position this year to have again a very strong Colts' group – only losing 2 players due to age from last season. An emphasis early on giving not just our best, but our very best and playing like a First Grade team would. This was led by the many now seasoned players of our First Grade set up, who gave all incoming players and even younger supporters, who hopefully now aspire to play colts cricket, a great insight into the level we as a club want our cricket to look like in a sense of standards, application and discipline.

I knew from the start and believed strongly, that we had the best squad in the competition. Knowing many other Colts teams only had a couple players that can take the game away from us, yes, I knew our squad would outplay the individuals faced each week. From my perspective, the boys did not realise this until we faced Rockingham in round 1 where they had put 149 on the board and taken big momentum late in the innings. Walking off, having a genuine belief in chasing it down, we saw a fearless and 'nothing to lose' approach to our cricket, where starting off red hot and finishing in true Colin Dwyer fashion, built a vibe around the squad of belief in our squads ability to chase down any total given.

This belief of feeling like we were never out of any game, allowed us to play attacking and fearless cricket something this group of players train to do.

Moving onto Melville, hands down our best game and all-round performance, we continued to march in the right direction and qualify for finals. Dropping a game to Fremantle in the last round wasn't a major concern for the squad, as we saw the belief in the team trying to win in a spot that proved just too difficult. Playing Wanneroo in the final, we matched up very well and unfortunately it just wasn't our day. Losing this really and ultimately just sucked, as walking off everyone knew we had a better team and better ability to knock them off. But this doesn't mean our chances of coming close to a final are now concluded and we don't strive for higher heights next season, as we again only lose 3 players for next season, so the strength of our Colts program is going to be bigger then ever and hopefully we have now set a base on expectations and belief to launch our boys into success with

Colin Dwyer... The big boy just hits sixes, even his miss hits go for six now! Colin has been dedicated outside of cricket hours to getting himself fitter, stronger and in better condition to do this for longer and ultimately reflected in his cricket.

## Colts Batting Averages 2023–2024

Player	Matches	Innings	Not Out	100s	50s	0s	H/Score	Runs	Average
Dwyer, Colin	3	3	2	0	2	0	80	185	185.00
Ward-Armstrong, Elijah	4	4	1	0	1	0	51	93	31.00
Chopra, Ishant	3	3	0	0	0	0	48	65	21.67
French, Michael	4	4	0	0	0	1	38	63	15.75
Virgo, Tyrone	4	4	1	0	0	0	18	42	14.00
Fernandes, Braydon	4	2	1	0	0	1	29	29	29.00
Abrams, Kieran	1	1	0	0	0	0	22	22	22.00
Cilemanoff, Chris	4	2	1	0	0	0	2	3	3.00
Stampalia, Ashton	4	1	0	0	0	0	1	1	1.00
Fawcett, Cameron	2	1	1	0	0	0	1	1	0.00
McDonald, Jye	4	1	0	0	0	1	0	0	0.00
Perry, Coby	4	1	0	0	0	1	0	0	0.00

Having Colin coming in with 8-10 overs to go and finish off games, was my biggest wild card, as he single handedly got us over the line against Rockingham and then nearly pulling off the Wanneroo game with 80 (including 11 6s!). An underdog with the ball, but Ashton Stampalia's ability to want to bowl in tough situations and both restrict runs but hit the stumps and be my go-to man for power plays, surge and death overs, is a credit to his hard work. He does put in behind the scenes and it is his ability to just execute on game day needs to be mentioned.

Tyrone Virgo, Elijah Ward-Armstrong and Brayden Fernandes grew yet again in their T20 skills alongside Jye McDonald, Coby Perry and Cameron Fawcett who bowled crucial overs for the team also.

Thanks to Ben Dale, Matt Rossi and Nathan Ellett, alongside David Virgo and Brad Forbes for their support in this group. Your work is not taken for granted and we are very grateful to have you as part of the Hawks family.

For all those who are invested in this group of boys we have coming through, I urge you to keep a close eye on all that are apart of our colt's program. We have match winners in this group, dedicated and driven individuals who are now aiming to not just be the best cricketers they can be, but the best human beings. Drilled from David Virgo, aiming to BE good BEINGS, and do the little things consistently I strongly believe that the much-awaited success in our beloved sport of cricket is only just around the corner.

*Thanks to Ben Dale, Matt Rossi and Nathan Ellett, alongside David Virgo and Brad Forbes for their support in this group. Your work is not taken for granted and we are very grateful to have you as part of the Hawks family.*

We have immense talent and skill in this crop of players, and I hope we as a squad can influence those around us to be better each and every time you rock up to Breckler for a net session!

Next year, the now youngsters of the club, are going to take a march into finals. I believe it. We have the best squad, with players who do dedicate time to being better each and every session, and there is no reason why we can't go all the way. I'd love to be around the group in a mentoring role for the new players filling in the gaps, as Colts cricket is simple yet complicated by us with theories and beliefs on how to play T20 cricket. T20 is a fun brand of cricket, to be played fearlessly and this group we have got suits this style perfectly, so I wish them all the best for season 2024-25. Lastly, I wanted to thank the club for their continued support and belief in me as a leader of the Colts side for the past couple seasons and in me as a person, it is something I definitely do not take for granted and loved every second of it all.

**MICHAEL FRENCH**  
COLTS CAPTAIN

### Coach's Report on District Under 17s

The 17s squad had a tough year, ending in 14th position on the table. The team had some fantastic wins, however these were mixed in with some disappointing results.

On reflection, the 2024 17s squad was a very young group in comparison to previous years. The majority of the boys being 15 or 16 years old throughout the season. Which meant at times we lacked confidence, and failed to stand up against some of the older stronger teams.

As a club we always look at 17s squad with the view to be competitive, however ultimately challenge the boys, and prepare them to go on and fill important positions within our senior teams. We are really proud to say that 5 boys from the 17s played senior grade cricket this year at the club.

Success at the 17s level will only come where the squad, which comprises 15, 16 and 17 year olds comes together as a tight knit, integrated group. A group who respect, challenge and push one another, and who can celebrate successes together. This year we had an exceptional group of boys, and the way they came together as a team.

Ishant Chopra was named captain of the 17s squad for the 2024 season, and lead strongly before being selected to fill a permanent role in Second Grade. Daymon Hay (Vice Captain) was elevated in the back half of the season to Captain. Both boys did exceptional jobs at leading the team.

The boys were thrown many challenges this year. Most were asked to take on roles which differed from those they were generally accustomed to. Whether that was opening the batting, bowling death overs in a T20, or forgoing their spot in 17s to play seniors. As coaches we really appreciate how the boys took on those challenges and supported one another. Many of the younger boys were thrust into key roles and performed very well.

We started the season with a strong win against Joondalup in Round 1. In a T20 format, Joondalup

posted a respectable 112 off 20 overs.

With Krish Chaudhary and Mo Kesavan both bowling well and taking 3 wickets each. In chasing the total, we had a few boys get quick starts, however it took a brilliant partnership between Daymon Hay (25 not out) and Santhal Jayawardana (15 not out) to get us over the line with a win off the last ball of the innings.

In round 2, we were narrowly defeated by eventual Premiers, Fremantle. Ishant Chopra (69) and Wilson Pretl (30) opened with a 92 run partnership, however a middle order collapse saw us post a competitive 180. Unfortunately, this was not quite enough with Fremantle taking a narrow victory in the second last over.

Round 3 saw us up against a hard hitting Wanneroo side. We posted a competitive total of 187 (Mo Kasavan 60). A stand out performance by Aum Patni (10 overs, 3 for 30) with the ball was not enough to stop Wanneroo (202), who easily took the win, hitting 24 boundaries. There were some brilliant performances in the field, with a couple of very good catches by Daymon Hay, Swarom Kanvinde and Krish Chaudhary.

In round 6 we took on a strong Subiaco side in a T20. Lead by Ishant Chopra (50 off 60) we reached a competitive total of 98. We managed to contain Subiaco to 5 for 92 through some brilliant spin bowling. The spinners bowled 16 of the 20 overs.

Rounds 7–9 were disappointing losses, with the boys needing a boost of confidence to take on the back half of the year. A credit to the captains and the senior leaders, the boys didn't lose focus, and really came together as a group. They turned the corner in round 10. Lead by an exceptional opening spell by Aum Patni (6 overs, 1 for 14) and Krish Chaudhary (6 overs, 1 for 5) we took the game up to a very strong Claremont side. A solid 70 off 96 balls from Wilson Pretl had us well positioned for a win, however the run rate got away from us, and we weren't quite able to chase down the Claremont total, ending all out for 185 (off 46 overs), chasing 229. The boys however were upbeat, and lifted as a group.

Round 11 was a highlight of the season, taking on the top of the table, and undefeated South Perth side. Our bowlers were outstanding, bowling South Perth out for 147. Every bowler contributed strongly, with spinners Nick Hart and Lucas Handcock both taking 3 wickets. The boys were upbeat, and fielded strongly as they took apart the South Perth lineup. The boys then cruised to victory easily, with Wilson Pretl (65) and Swaroon Kanvinde (36) batting well against a very good bowling attack.

Round 13 was the last game of the season, up against a very strong Melville side. We fought hard with the ball, and bowled well with Aum Patni, Ishant Chopra, Lucas Handcock and Nick Hart all taking 2 wickets. However we couldn't quite chase down the score in the final overs, finishing at 6 for 108 chasing 8 for 119 (T20). Ishant Chopra (33), Daymon Hay (20), and Tom Shackles (12) all scoring quickly and giving us a chance.

Overall the boys had a good season, and I am sure they learnt a huge amount. We want to say a huge thanks to the boys who stepped up and filled senior grade positions during the year. Those efforts haven't gone unnoticed by the club and the senior players.

*Finally, a big thank you to the parents, grandparents and families for your support throughout the year. We have a fantastic group of supporters who came along every week to cheer the boys on. The season wouldn't be a success without you all.*

Finally, a big thank you to the parents, grandparents and families for your support throughout the year. We have a fantastic group of supporters who came along every week to cheer the boys on. The season wouldn't be a success without you all.

## Coach's Report on District Under 15s

This season was another stepping stone in the development of the boys in their cricketing journeys. We went with an extended squad of 21 players, welcoming Nic Borman, Tom Bree, Jordan Egan and Ben Jacob to the club, and also having Darcy Giltrow join the squad.

I cannot speak highly enough of this group of young men, and while we unfortunately just fell short of playing finals this year, the manner in which this team handled themselves throughout the season will place themselves and the club in good stead in the future.

The season was one of two halves. With the first half seeing the team falling short in three games by less than 15 runs, and after six games we were sitting with two wins and four losses, and still yet to face three of the top four sides in the competition. To the credit of the young men in this team, instead of looking for reasons or blame for their predicament and just seeing out the season, they turned to each other to find solutions and asked for more responsibilities at training and game day which galvanised and united the team. This saw a huge turnaround, with the team winning five of their last seven games, and losing one close rain affected game and just missing out on finals.

The team started with an extended pre-season to assist in integrating the new members to the team, and we were ready to go in the first round. The first round saw us playing Joondalup in the team's first T20 game. Joondalup won the toss and sent us into bat, where we were put under pressure with some great bowling and we posted a total of 75, with Billy Strang opening and top scoring with 26. The boys felt they were around 20 runs short but they went out focussed to save as many runs as possible out in the field. The bowling unit, lead by Sunny Pradhan, placed Joondalup under pressure, backed up with great fielding which resulted in the game coming down to the last over.

The team's captain, threw the ball to Josh Hawkins for his first over of the game and he coolly bowled a tight over for the team to win by three runs.

We then had a disappointing loss to Fremantle (the eventual winners of the competition) in round 2. Despite our openers starting aggressively we ended up throwing every wicket away with rash shots or bad calling between the wickets. It was a great learning experience for the team around controlled aggressive shot playing and staying in the game.

Rounds 3 to 5, were all close games but unfortunately we fell short in all three. Round 3, Wanneroo sent us into bat and we didn't start well being 2 for none after the first two balls. The boys posted a total of 106 and had Wanneroo 7-80, with some great bowling by Dan McGough (1-10), Matthew Black (3-17) and Sam Weston (2-19), with Wanneroo then passing our score still seven down before reaching 118 off their 50 overs. Round 4 saw us pitted against Bayswater-Morley, and despite having Bayswater 6-35, with a great opening spell by Sunny Pradhan (4-23) and Kyan Perera (3-22), we allowed them to post a total of 143. We then fell agonising short, posting 140, with Jett Guest top scoring with 28. Round 5 against Centurions, saw the team fall 5 runs short chasing 142. With Dan McGough bowling a peach of ball to remove one of the best batsmen in the competition and Kyan taking 3 for 30.

Round 6 saw a return to our second T20 game against Subiaco, the winners of last years comp. The boys posted a total of 87, which again we had thought was below par. There is one thing about this team despite the previous rounds close losses is that they never give up. Once again, our opening bowling pair of Sunny and Kyan bowled a tight line and were backed up with some great keeping by Darcy Giltrow, with the boys winning by 2 runs despite being penalised with 6 penalty runs for a slow over rate. The belief from this win was the start of the season turnaround.

Round 7, just before Christmas had the team taking on Perth, with Perth winning the toss and sending us into bat. We posted a score of 200 runs, with a great captain's knock of 68 by Kyan backed up by Sam Weston and Darcy Giltrow. We then restricted Perth to 6-128 off their 50 overs, with Sunny being unlucky not to take any wickets off his 5 over spell which only conceded 9 runs and Kyan taking 2 for 13 off 6 overs.

Round 8 saw us take on Rockingham-Mandurah, which set the boys back a bit. Despite bowling and fielding well at the start, some wayward bowling in the middle overs saw Rockingham post a total of 178. The boys were confident in chasing down the total but things did not go to plan at the top of the order and we were soon 3 for 16. Sam Weston (46) and Jordan Egan (24) steadied the ship but we fell well short reaching only 128 from our fifty overs.

After the loss to Rockingham, we regrouped as a team and had an honest two way feedback session. The playing group wanted to take more ownership in the decision making process, especially in respect to the batting line up. So for Round 9, against Midland-Guildford in our third T20 game, a new look batting line up of Darcy and Kesh Tewari going out to bat first. Darcy (22) and Kesh (17) got the team off to a flyer, reaching 46 before the first wicket fell in the 8th over. Billy then continued with the scoring reaching 30 not out and the team posted a total of 104. The team then restricted Midland to 7 for 69, which was great result considering Midland had posted a total of 284 the week before. Riley Ludlam came into the team for his first game for the club and was the pick of the bowlers with 0 for 11 off 4 overs, greatly supported by Matthew Black (1-11) and the rest of the bowlers.

Round 10 (Claremont) and Round 11 (South Perth) saw the boys facing two teams in the top 3. The Claremont game, we choose to bat first, with Ben Jacob (30) opening setting a platform for

Billy (41), Sam (26) and Kyan (19) to post a total of 9 for 169. As always Sunny (0 for 14 off six over) and Kyan (0 for 14 off six overs) set the tone at the start of the bowling innings. This lead to an unexpected twin terror spin bowling masterclass by Darcy Giltrow (4 for 22 off 8.3 overs) and Ben Jacob (3 for 17 off 5 overs) to have Claremont bowled out for 156, with Ben bamboozling Claremont bowling both right and left handed during the overs.

Against South Perth the team again batted first, scoring 178 with a new look opening pairing of Jett Guest (20) and Kesh (19) who set a solid foundation for then Kyan (38) and Sam (30) to capitalise on, with Jordan (28 not out of 18 balls) coming in at the end for some lusty hitting. It was then up to our bowlers and fielders to take over the baton, with Sunny and Kyan not disappointing us. In one of the finest opening displays we had South Perth, 2 for none off two overs and were unlucky not to have a couple of other close decisions not go our way. With some great run outs by Raph Ivanac and Taj Randall, we had South Perth all out for 114.

Round 12, saw our only rain affected game were under the DLS method we feel just short chasing runs against Willetton. Kyan was outstanding with the ball taking 4 for 6 off 8 overs, with Matthew Black also taking 2 for 19 off 10 overs. Jordan Egan took a blinder of a catch to dismiss Willetton's top scorer. Jett Guest batting superbly for 42 and was unlucky not to reach a half century chasing runs near the end after seeing off a strong opening bowling pair.

The last game of the season, and another T20 saw the boys face Melville. Melville batted first posting at total of 97. Sam (21) and Kesh (33) got the team off to a great start. The game ending in a nail biter, with the team needing 6 runs off the last over with 4 wickets in hand. Fortunately, Sunny and Riley saw us over with two balls to spare. This resulted in the team winning all their T20 games for the season and winning 7 out of 13 games.

As a coach, I cannot speak highly enough of this playing group. They have reminded me of what cricket and sport is all about. Yes, winning is one of the goals but more than that it is about backing yourself and your teammates, playing as a team and most importantly is to enjoy the experience. These young men showed that throughout the season and they are a credit to the club and more importantly themselves. One of the best feedbacks you can receive as a coach is to hear how other coaches talk about your team. The constant feedback I received from the opposition coaches was that they knew they were in for a fight when they played Mount Lawley as the boys never gave up and they did this in the most sporting way and enjoyed themselves.

I would like to take the opportunity to thank Kerri and Michelle for all of their work behind the scenes and their support. To Katherine Blythe for keeping us all organised and for all of the parents for their support and assistance.

*These young men showed that throughout the season and they are a credit to the club and more importantly themselves.*

Finally, I would like to say a huge thank you to Simon Homsany. Simon has been an integral part of the team for the past three seasons, and is a large contributor to the fabric of this team. I have never seen someone so passionate about developing the boys and the pride he has for this club. Simon has put an enormous amount of time, work and effort into the team and I cannot thank him enough for this.

## Coach's Report on District Under 14s

2023–24 was a similar season to the previous one! A little bit frustrating result wise, but very heartening to see the continued development by all the players and to see how all players bonded well as a team. If they keep the same positive commitment to the team and the club as a whole, they will continue to improve and achieve the results they deserve. As I have continually said to the boys at our aftermatch talk, and again at the trophy night, there is a heap of talent in this group!

After a few pre-season practice games, the season kicked off with a home game against Scarborough at Breckler Park. Scarborough won the toss and elected to bat and the boys did well to restrict them to 8/157 off 50 overs! All the bowlers did a good job with James Clocherty being the pick of the bowlers with 1 for 12 off 5 overs. Shaan Patel and Tom Carlos also bowled very well. Chasing down a target is always a bit tough, but despite a couple of guys making ducks in the middle order, Tom Carlos and Henry Scholz led from the front with an excellent partnership that paved the way to a very good win! Tom batted throughout the innings for an excellent 81 not out, with Henry making a very good 39.

Round 2 was against Subiaco Floreat again at Breckler. Subiaco batted first and despite one of their boys making a hundred, we still bowled ok and restricted them to a gettable 178. Tom and Shaan again bowled well! Unfortunately our run chase didn't start very well with our first 5 batsmen all making less than 10. However, even though we didn't get close enough to the target, we still batted out our overs thanks to good batting from Jonah Cumming, Will Petchell and Shaan Patel!

The boys next game was against Wanneroo at Breckler. Wanneroo batted first and made an excellent score of 222. Again Tom Carlos bowled very well in taking 4 wickets! He was well supported by Tanishq Sopori and Will Petchell. A big score to chase, and the boys started well with Tom Carlos and Taksheel Kadri having a good opening partnership, and Aastik Vats making a very quick 58, but unfortunately we lost wickets regularly and were bowled out for a respectable, but not close enough 149.

Round 4 was again at Breckler Park against Centurions. Centurions won the toss and batted well to make a good 9/192 with their middle order batting very well. Again James Chlochery was the pick of our bowlers with a very good 3/17 off 8 overs, with a 'first gamer' in Seth Tennakoon taking 2 wickets. Unfortunately despite some good solid batting from our top 3 in Tom Carlos, Taksheel Kadri and Kanishkh Menon, the boys fell 40 runs short.

Our next game was against Joondalup again at Illuka. This turned out to be proof of what good potential this group of boys has. Joondalup were currently undefeated on top of the table, and yet the boys had a very good win! It didn't start off all that well with the boys only making 132, despite a good partnership between Henry Scholz and Tom Carlos for the second wicket. Then we lost 6/32 and would have been bowled out early, if not for some good batting from Ed Jones with 27 not out. However only defending 132 meant that we had to bowl and field very well and the boys did it! Bowling the top side out for 123 off 40 overs was an excellent effort! Will Petchell was the pick of the bowlers with 3/21 off 10 overs, with Shaan Patel, Jonah Cumming and Harry Day also bowling very well.

If the boys won their final 2 games of the season they would have made the finals! Unfortunately this was not to be as we let a couple of opposition players get some very big scores that cost us both games. Round 6 was against Midland-Guildford at Lilac Hill with Midland winning the toss and sending us in. Unfortunately only 2 of our top 8 batsmen made double figures. If it wasn't for Ed Jones and Lukas Charsley putting on a very resilient partnership of 53 for the last wicket it would have been very embarrassing. Unfortunately it didn't get much better with Midland cruising past our score and getting nearly 250 runs mainly due to some dropped catches and sloppy fielding. Will Petchell, Seth Tennakoon and Shaan Patel were the best of our bowlers.

Our final game was against Bayswater Morley at Hillcrest. Despite missing out on finals and still losing the match, the team still did a lot better than the previous game! We won the toss but allowed Bayswater to bat first.

## UNDER 14'S

They made a very good score of 220, with one of them nearly making one hundred! Henry Scholz bowled very well in picking up 3 wickets for 21. James Clocherty also bowled very well. The boys got our best score of the season but unfortunately it wasn't enough with most of the boys getting starts, but not going on with it. Jonah Cumming and Ed Jones were the best of the batsmen, with Jai Nelson and Harry Day combining for a small but handy unbeaten last wicket partnership to ensure we weren't bowled out.

Overall a disappointing close to the season, especially after the winning start and then beating the top side! However, as I have said many times before, they are a good bunch of blokes with a LOT of potential! Hopefully they can say together as a group and be a big part of our club in the years to come.

Well done to all the boys who won awards this season Tom Carlos (Batting and Champion Player), Will Petchell (Bowling), Aastik Vats (Fielding) and Ed Jones (Coach's Award).

A big thanks goes to Matthew French who did a great job in supporting me as the assistant coach of the team.

Also to all the parents who helped out during the season. In particular, Joe Scholz as team manager. Also to all those parents who helped out in the scoring, ground setting up and afternoon tea supply throughout the season!

Thanks also to Kerri Enman and Brad Forbes for their support!

**PAUL WORTHINGTON**  
COACH

### **Coach's Report on District Under 13s**

Our Under 13s and Futures combines a squad of 25 talented youngsters around 10-12 years old, with a focus on fun, gaining match play experience, and, learning more about the game. Some of the players will be in this program for 2 years or more before they are of age to transition to U14s, so it is a superb opportunity to develop which is not offered by all premier-grade cricket clubs. They are at the start of their learning journey and, we aspire for all players to be senior cricketers with Mount Lawley.

After a solid pre-season preparation including two scratch matches against Willetton and Bayswater Morley, the boys were raring to go for the season.

The U13 Round 1 season opener at home against Scarborough was a solid hit out. Calling correctly and taking into account the wicket which looked very unpredictable, we decided to bowl first and have an off-spinner open the bowling which completely caught the opposition by surprise! Thivain (2 for 12 off 6 overs) and Aaryan (1 for 13 off 4 overs) bowled fantastic opening spells which strangled the Scarborough scoring. Cooper (2 for 5 off 4 overs with 2 maidens), Nicky (2 for 14 off 4 overs), Samay (1 for 4 off 2 overs), Angus (0 for 11 off 3 overs) and Giuseppe (0 for 9 off 4 overs) ensured the pressure was maintained resulting in Scarborough folding for 78 in 27 overs! After an early wicket, Akain and Sachin had a resounding 75-run partnership for the second wicket. Sachin (44 no), Akain (43), and a quick-fire 29 from Josh at the end resulted in a comprehensive team victory!

Round 2 against Subiaco-Floreat was another home game with another correct coin toss being a sign of good things to come! Bowling first the boys were switched on and fielded well with Aaryan (2 for 13 off 7 overs), Thivain (0 for 15 off 7 overs) putting the brakes on the opposition's scoring, continuing their R1 performance. Cooper and Angus also backed up the openers very well with Sachin chipping in with 3/24 off 6 overs to restrict Subiaco-Floreat to 8/138 which looked like a very competitive total.

Our openers Sachin (34) and Thivain (30) followed up on their bowling performances with a fantastic 80-run opening partnership before Lachie (29) and Nicky (13) had an unbeaten 46-run partnership for the fifth wicket with the Hawks finishing on 4/157! The team was flying high and it was pleasing seeing the boys sing the club song (with a bit of help) after two consecutive games!

Round 3 was another home game with Wanneroo winning the toss and batting first. Thivain and Aaryan again bowled excellent spells during the game supported by all of our bowlers. Not having a WACA umpire didn't help our cause, especially Thivain who was very unlucky not to be given a number of LBW decisions in his favour, including the opposition captain and top scorer which impacted the match. Wanneroo scored 8/134 which was a very gettable score for our boys. Unfortunately, the strong batting performances and camaraderie from the opening two games wasn't there and the boys never got going. We fell down in executing batting basics, however, Lachie played very well and was the mainstay of the innings with a well-made 24!

Round 4 saw the boys take on Centurions, with the team winning the toss and electing to bat first. Nicholas Heng (28) and Lachie Baker (22) got us off to a great opening start reaching 42 before the first wicket fell. After a couple of quick wickets, Akain Wijayathunga scored a great captain's half-century, eventually falling for 56 chasing quick runs near the end of the innings to set a competitive team total of 7-145 off the 40 overs. Our opening bowlers, Cooper Chilman (1 for 21 off 8 overs) and Josh Stott (2 for 19 off 7 overs) bowled a great opening spell but unfortunately, we were not able to take the opportunities that came our way, with Centurions scoring 5 for 158 off their 40 overs. This game was a great learning experience for the boys with the difference between the two teams being the extras given away (Mount Lawley 35 extras compared to 15 by Centurions).

Round 5 vs Joondalup was played in very hot conditions at Iluka. This game was another one where early missed opportunities and extras hurt us and allowed Joondalup to post a total of 206. Aaryan Kanvinde and Thivian Wijayathunga were unlucky not to get a number of wickets in their opening spell, with Ethan Hawkins taking a sharp catch behind the stumps off the spin of Akain. Fielding in the heat of the day took its toll on the boys, but they gave it their best shot with the bat, with Akain top scoring with 31, being well supported by Thivian (21) and Giuseppe Di Martino (24). It was an especially brave batting display by Giuseppe after receiving a big blow to the head when keeping in the first innings.

Round 6 against the unbeaten top-of-the-table Midland-Guildford was another close game with the boys showing fantastic team spirit and fighting the game out to the very end! Akain won another toss and we batted first scoring 7/132 off our allotted 40 overs. Our openers put on an opening partnership of 57 runs with Nate scoring a quick-fire 34 off 44 balls and Akain chipping in with 45 off 60. Towards the later stages of our innings, the opposition bowling was very tight, albeit very wide at times, and we were probably 30 runs off a par score given the quick outfield and conditions at Lilac Hill and ended up scoring 7/132. Defending the total the boys did brilliantly with the game being much closer than the scorecard reflects. It was pleasing that after a few losses, the boys displayed great resilience and fortitude by pushing the top team. Ten of the boys all got an opportunity to bowl that game with Myles getting a wicket on debut.

Round 7, the final game of the season, was against the second-placed Bayswater-Morley at Hillcrest. The Joondalup team was supporting the Hawks because if we won they would go through to the semi-finals ahead of Bayswater-Morley! We lost the toss and were sent into bat and faced some very hostile pace bowling and tight spin bowling. After a cautious start, another captain's knock (58) from Akain got the scoreboard moving and with Giuseppe (16) and

Nicky (15) chipping in at the end we managed to post a competitive score of 7/147. The opposition was in early trouble at 3 for 7, although we may have been on the receiving end of a couple of generous LBW decisions! It was very pleasing to see Angus (3 for 21 off 8 overs) and Diyan (2 for 34 off 8 overs) open the bowling and do very well followed by Andreas who bowled a fantastic spell into the wind (2 for 25 off 6 overs). The remainder of the game had so many ebbs and flows and was a very exciting junior cricket game, one of the best the coach has been involved in. Aaryan, Diyan, and Thivain bowled superbly at the back end of the game with the opposition on the brink of defeat at 9/127. Baysie managed to get to 9/146 and in attempting to tie the game we had a close run-out opportunity. Special mention to our wicketkeeper Giuseppe who showed exemplary sportsmanship (which was commented on by opposition players and coaches) by advising the ball had dropped out of his gloves before taking the bails off with the batsman short of his ground. It was a heartbreaking moment but it was amazing to see how all the boys got around and supported each other.

Most of the main U13s players utilised in the season move into U14s next season and will take these performances as a reason to be confident that they can trouble the best teams!

Our Futures team trained together on turf pitches with the U13s boys, sharing in drills and gaining experience from each other. The Futures team games were mostly attended by those at the less experienced end of the squad, however, we rotated a significant number of boys through the 13s games, giving both older boys a chance to hone their skills or leadership in Futures games and, to reward and expose players in U13s games.

Six Futures games were held, not for premiership points, against quality opposition giving fantastic match play experience against teams and pitches that the boys will play on from juniors through to seniors. We ran the first 3 games very much as a balanced development opportunity with even-play focus for all.

## UNDER 13'S

Then, the last 3 games adopted the WACA rules used by U13s to help the transition to 13s and, expose our young players to pressure, cricket as a team game and, growing mental resilience. While we maintained a no-scorecard focus throughout the season, it was very pleasing to see strong results, with positive batting a highlight and some exciting bowlers showing potential. With these performances, it will be an exciting U13 team next season that continue their junior development.

We would like to thank the managers of the team who specifically helped out tremendously - Emma Harris for Futures and Jeremy Heng for U13s. Special thanks to Akain who captained the U13 team magnificently throughout the season, displaying a calm temperament and showing maturity beyond his years to help the entire squad.

Also, a shout-out to Cooper for taking one for the U13s in a match where he volunteered to field on the boundary with his sunnies at the height of the magpie swooping season!

There are many club people, parent volunteers, and coaches from other grades who helped out during the season. The club is fortunate to have such passionate people involved in helping our junior program develop our future Mount Lawley cricketers. It was very pleasing to see so many parents get involved in helping out whether it be at training or match days. The afternoon teas were phenomenal at the games!

*There are many club people, parent volunteers, and coaches from other grades who helped out during the season. The club is fortunate to have such passionate people involved in helping our junior program develop our future Mount Lawley cricketers. It was very pleasing to see so many parents get involved in helping out whether it be at training or match days. The afternoon teas were phenomenal at the games!*

Finally, congratulations to the 3 Hawks boys (Thivain, Cooper and Aaryan) who have made the U12 State Schoolboys Team and will play in Adelaide in November this year. Best of luck boys!

8 Subiaco-Floreat	29.6	1	6	1065

Compared to last season, we had a few extra days to move back into the club rooms prior to the first game being played. With some new faces, both on the committee and playing field, we started the season with excitement. Although we didn't finish where it was first thought, we still had that fighting Hawk Spirit.

Thank you as always to all the players, spectators, committee members and club coaches for your continued support of the club and its facilities.

Thanks to President, Brendan Reid, for his continued support throughout the season. Your continual guidance and many hours of hard work both on and off season does not go unnoticed and is very much appreciated.

Once again, thank you to John Lowes who continued to set up the grounds before and after games throughout the season. He tirelessly, with Tom not far behind him, would put out the tables and chairs for spectators, set up boundary flags and sponsor banners. This was mostly done early in the morning before players arrived. I'm going to miss our morning chats with you and our curator Sarah. After the game, he would pack it all up in addition to a few extra jobs when asked. Thank you again John for your friendship and hard work around the club.

Thank you to Turf Care for the upkeep of our grounds and Sarah Addison our Curator, who won the Most Improved Ground award for Breckler 2. You did an amazing job, and the club looks forward to seeing the same award for Breckler 1 in the 100th year celebrations of the club. Thank you also to Malcolm Woolf who continually mows the grounds prior to the games. Your support is always appreciated.

Again, a massive thank you to both Kerri Enman and her family who continue to volunteer their time at the club. Kerri continues to support the club in the many roles and hats she wears and with the many hours she volunteers both on and off the season. I will always be very grateful for your support and your friendship.

*As I am now retiring from this position on the committee, I wish to thank all the players, coaches, patrons, committee, and family members who I have enjoyed getting to know over the years and thank you all for your continued support.*

Volunteers of the club are always welcomed. They continue to work hard and help whenever they can. These volunteers are many but the few I will always be thankful to for their continued support are the following: Paul Tomerini – he continues to help with dinners on Thursday Selection Nights. He is always there with a smile and will always volunteer no matter what the job. He continues to help Peter Murphy with Country Week, and I am very grateful for your support Tomo.

Bar and Kitchen Assistance – Brendan Reid, Tom Milentis, Nick Milentis, Peter Murphy, Paul Rolfe, Kerri Enman and Helen Dwyer – you are often down at the club assisting behind the bar or in the kitchen during Country Week, Thursday night selections and during Senior and Junior games. Thank you again and I couldn't have done it without you all helping. Thanks also to the players' parents, grandparents, girlfriends and family members who helped prepare afternoon teas especially Peter and Karen Dale. Thank you to all the volunteers who I may not have mentioned but am very grateful for your support of the club facilities.

As I am now retiring from this position on the committee, I wish to thank all the players, coaches, patrons, committee, and family members who I have enjoyed getting to know over the years and thank you all for your continued support. I hope to see you all for the 100-year celebrations and look forward to seeing a new flag hanging in the club soon. Good luck fellas.

**MICHELLE REID**  
FACILITIES & MANAGEMENT COMMITTEE  
CHAIRPERSON

Each year the Committee try to secure and identify major sponsors that would establish long-term relationships and mutual economic benefits.

This year to help the existing Committee in achieving these results, we were thankful to gain a new member to the Sponsorship & Fundraising team, in Andrew Blythe, who came on board and took on a lot of the contact leg work. He approached the Committee early on to assist with taking the time to learn who the existing sponsors were and to also go out to the market and help with enquiries and finding several new sponsors – some of which came on board this season and others looking to come on board in 2024–25 (our 100th Anniversary) and beyond.

New sponsors to the Club in 2023–24 included Setonix Finance, owned and operated by Current Head of Senior Cricket and past Fourth Grade Premiership player, Craig Fewster; Carbon Group (formerly Kensington Partners), CResults, owned and operated Sign & Printing company run by Chris Hebbard (who also assisted with arranging all the Club's new ground, sight screen and training net sponsorship banner) and Thai Orchid, who assisted with providing weekly performance awards for all of the Senior and Junior groups in the form of discount vouchers at their Mount Lawley restaurant, in addition to Andrew's own employer Ferngrove Wines assisting with gift boxes around the Club.

The Club was again fortunate that Ray Ellis and his team at Xceed Real Estate Management continued as the Club's major Platinum sponsor for another season. This sponsorship continues to see real value for both parties, and the Club continues to strengthen this partnership further in the coming seasons. This year they continued their sponsorship to cover a Streaming licence, that allowed the Club to be able to live stream the Grade and applicable junior games throughout the season through the Frogbox live streaming system.

Along with Xceed, the Club was also able to continue with the ongoing support from existing sponsors, David Manuel and Amcal Max Tuart Hill, PGS Maintenance via junior coach, Vaughan Leonard, Forbes Conveyancing with Helen and Brad Forbes, Stewart Walters and his firm, Market Open Australia Pty Ltd, and Capital Q, via past premiership player,

Duncan Melbin.

Other existing sponsors included PSC Insurance Brokers, Innovation Services and Wilson's Sign Solutions (who continue to assist with the upkeep of our electronic scoreboard etc).

The North Perth Community Branch of Bendigo Bank again continued as a Community Grant sponsor which again was well received.

A special thank you is given to Paul and Jo Higgins who continued their long running association as Club sponsors with their current venture, the Shoe Bar & Café at Yagan Square in the City, with weekly vouchers for strong performances to the Senior playing group. Remember, if you are looking for a cold drink or some great tasty food, be sure to drop in and say hello.

Also to Mike Wilkie and his team at Slater Gartrell Sports who have assisted and sponsored for over 40 years we again say a big thank you. Mike and his team are always willing to assist the Club with an end of season trophy, along with weekly player performance vouchers. In addition to the awards, they are always happy to serve our greater community with great pricing and specials for your playing personal equipment, as well being our major apparel supplier this season. Next time you are out looking for new gear, mention that you are a Mount Lawley Hawk player and start counting the savings.

Remember, please try to support our sponsors when you can.

The Club again participated in the Toyota Good for Cricket Raffle which saw the Club raise close to \$6,700 and our thanks must go out again to Kerri Enman for ensuring that all of our playing members were able to receive their electronic tickets. Again this year one of our members was lucky enough to actually win a prize as well.

To Nick Milentis we again say a huge thank you for your continuing organising of the 100s Club. This continues to be well supported by all at the Club. It also provides much enjoyment to all at the Club on a Thursday night when the weekly draws are held.

## FUNDRAISING & SPONSORSHIP REPORT

The Club once again held several “extra” games at the Club and while we are able to raise several \$000’s from outside sources, we couldn’t do it without our hardworking volunteers. A very special thanks to Michelle Reid who ran the bar all season and supervised the kitchen during many of these events. Additional thanks also go to Peter Murphy, Paul Tomerini, Brad Forbes, Brendan Reid, the Milentis brothers – Nick and Tom, along with Kerri Enman and her team of volunteers for all your hard and tireless work.

The Finance and Sponsorship Sub- Committee has worked very hard to increase the level of sponsorship over the past few years, but it will have to work even harder next season to least maintain this level of support and try to increase it further. If you have an idea or know of a business who would like to support local cricket and have a presence in the Community please do not hesitate to introduce them to our Sub Committee.

The Club continues to look to new initiatives to promote our Sponsors and in the coming year, is looking again at possible shirt sponsorship along with the introduction of a Club Handbook.

Frog Box live streaming is now fully up and running (now covering both grounds on match days) and also the electronic scoreboard, there are many ways they can assist the Club and also get their fingerprint out into the community & beyond.

Thanks again to all our sponsors, the Club continues to encourage all our members & supporters to make yourself known when supporting the Club Sponsors to help improve our ongoing relationships.

**PAUL ROLFE**  
FINANCE & SPONSORSHIP SUB-COMMITTEE  
CHAIRPERSON

We provide commercial printing services for Perth’s leading businesses.

With over 100 years combined printing experience, and industry leading flatbed technology, we offer a seamless customer experience from design through to installation.

Our investment into state of the art HP flatbed printing and latex inks, die cutting, and routing equipment opens up an almost endless range of creative printing options to our clients.

Malaga WA 6090  
(08) 9209 3356  
cresultspprint.com.au

Looking back over the past season it felt like it went in the blink of an eye. Every year we try to prepare as much during the off season as we can and yet when the season commences, we continue to work beyond expectations.

Each season we look for growth across all aspects of the club, not just cricket. We want Mount Lawley to become a destination club, not only for cricket but also for its culture and environment. This season we have focused on our junior cricket. We have tried to create a more inclusive “whole club” attitude. This begins with our trials process with senior player involvement right through out the season with some of our senior players taking on coaching and mentoring roles for junior cricketers. With many of our senior players managing work, studies and senior cricket in their own lives I would like to say thank you for the time you give back to the club.

Rather than conduct an end of season survey we decided to conduct one mid season this year. The aim of this was to gain feedback on the positive aspects of the club as well as areas and suggestions where we could improve during the season. The intention being, to begin implementing change now rather than post season when many have cricket fatigue and the mindset switches to winter sport. The survey was well received and many of the suggestions have already begun implementation for the 2024–25 season.

Our junior cricket was well supported by parents again this year. I would like to thank all our team managers who kept each of their team and coaches on track. This communication enables game day responsibilities to be spread and helps the day run smoothly. Our team managers this season took on their role wholeheartedly and alleviated the time required on game day from our committee. Thank you to those who provided tea, drinks, photography, scoring, Frog Box streaming and everything in between!

We had the introduction of Play HQ this season for our registrations and scoring. Overall, the process was reasonably stress free but not without a few curveballs along the way.

Thank you to all the parents for being proactive in getting their registration done early to make it easier for the club and for taking on the e-scoring on game day.

The committee engaged multiple photographers this season to encapsulate the game day events across the club. It is always difficult to get social media content and imagery on game day on top of everything else that needs to be done. I would like to thank Ollie Watkins, Simon Hebden, Tracy Ward, Keiran Mills, Glen Ludlam, Lisa Baker and every other member for their photography and media content for the Hawks. We have some awesome images from the season to reflect on. Looking back through our Facebook page, how quickly we forget the season’s milestones if not for the photography. As we celebrate our 100-year anniversary in the upcoming season, now more than ever it is important to document the history of our club.

The club designed a new website for the 2023–24 season with the expertise of Monday Media. This site provided an up-to-date central location for members and the public to obtain all club information. The website is a great visual representation of the Hawks, and an easy way to engage with the club via our social media blogs, stats and game day fixtures. We would like to thank Jeremy Heng who helped curate the website and kept its information up to date. I would also like to thank Jeremy for the countless hours spent on helping with our social media posts, junior trials data collation and all things IT with the club. His work behind the scenes has been invaluable.

Our senior cricket squad decided to create an inaugural Indigenous shirt for Mount Lawley this season. The design was a representation of senior player Koby Jackson’s story of the club. Koby drafted his design, and with the help of Robin Keen from One Seven Custom, Koby’s story was depicted on our one-day shirt. The shirt represented our players and supporters coming together from all parts of Perth and playing at Breckler Park. The club thanks Koby for his dedication to the design which our players wore during Reconciliation Round.

# MEMBERSHIP & VOLUNTEERS REPORT

I would like to thank Andrew Blythe who has joined our Sponsorship Committee this season. Andrew brings fresh ideas to our club for future seasons and was responsible for coordinating the fantastic new signage that is on display on game day, in conjunction with Chris from CResults Printing. We look to expand the number of members on our Sponsorship Committee for the 2024–25 season and continue the relationships we have with our sponsors at the Hawks. The club would like to thank all those businesses that support its longevity.

I would also like to thank our members of the Management Committee, who all volunteer their time for the club. Brendan, Michelle, Helen, Brad, Paul and Craig. Without these generous volunteers we do not have a club. Thanks, must also go to the coaches who give countless hours of their time to our cricketers. To Lance and Jeremy Colvin for scoring and to all our past players and members who help at Country Week and other events that the club are required to host throughout the season.

For the 2024–25 season I hope to engage more junior parents in volunteer roles at the Hawks. Strategic planning is always a high priority at the club. It is important to maximise involvement from all members of the club to continue its growth. In 2024–25 we are hoping to have our senior playing group take ownership and increase their involvement and understanding of what is required to sustain our club. With our 100th year anniversary in the upcoming season it is important to continue to build on what our predecessors have created to ensure the Hawks remain for another 100 years and beyond.

Once again thank you to every member who contributed to MLDCC this season, in whatever capacity to make our club better.
